Tel: 01676 233 105

Dear friends and families,

Another week has flown by and seen the children of Arley engaging in their learning and maturing each and every week. I have spent lots of time in the classrooms this week, learning from the children and seeing all of the wonderful things they achieve throughout the school day. It feels me with a true sense of pride to see the children at our school flourish in a plethora of areas. Highlights for me this week include:

- Seeing the Year 1 children learning all about the traditional tale 'The Three Billy Goats Gruff' and seeing their superb sentence writing - well done Year 1!
- Seeing the children in Years 3, 4 and 5 making birdfeeders in outdoor learning - the birds of Arley will certainly be well fed this week.
- Spending time in Nursery, hearing the children talk so vividly about dinosaurs, sharing the toys and growing in independence.
- Having several new children settle into Arley Primary School recently and seeing how quickly they have made friends and settled into school life
- Hearing the comments the children said about reading at Arley, how much they enjoy reading and how good our school reading books were.

This week, the children have also been completing pupil questionnaires, so we can hear about the views and opinions of our Arley children. This will definitely help us to move forward as a school, putting the children at the heart of what we do.

Wishing you all a lovely weekend.

Best wishes,

Mrs K Parkes

### Attendance week ending 17<sup>th</sup> November

Nursery = 85%  
Reception = 99%  
Year 1 = 99%  
Year 2 = 97%  
Year 3 = 97%
