Dear Friends and Families,

As we come to the end of the second week of term, we've continued to see busy and engaged children throughout the whole school. The children in Year 1 and 2 had an especially exciting day on Wednesday, launching into their new theme of 'Flight'. Our school hall transformed into an airport, equipped with check in desks, duty free shopping and luggage scanners. The children then boarded their plane to Spain. We had some fantastic air stewards on board and they were extremely helpful to all of the passengers!

Another personal highlight for me this week was our assembly on Monday, where children learnt all about Martin Luther King. Children learnt about equality and discrimination and content of character. Many of the children shared their contents of characters with the rest of the school, making me feel incredibly proud of our school and the children of Arley.

Please continue to work with us to improve attendance at school. We have many initiatives to encourage good attendance and our 'drop in' attendance days can appear any day. The children had so much fun during last term's Rock Concert and we're hoping to plan something equally as memorable during the Spring Term. Wishing you all a lovely weekend.
