Dear Friends and Families,

In Assembly on Monday, we continued building our Arley community spirit and looking out for each other through the story of The Perfect Fit. Triangle felt like he didn't fit in with the other shapes initially, but then realised he could have fun with all different shapes; hexagons, squares and circles. Children spoke about the differences they had, but how together at Arley, we are all 'The Perfect Fit', looking out for each other and including everyone, no matter our differences. I have seen children demonstrating this throughout the week.

We have some huge times tables initiatives in school, with children in Years 3 - 6 working hard at home to master their times tables. Our Assistant Headteacher Miss McCarthy, has been setting different competitions within our school and against other schools across Inspire. It really is fantastic to see so many of our Key Stage 2 children working to improve their times tables. This is especially important for our Year 4 children, who will be taking the statutory multiplication check in June this year, but also a key mathematical skill for all children to master. Thank you all for continued support at home.

Wishing you all a wonderful weekend.

Mrs Parkes
