Dear friends and families,

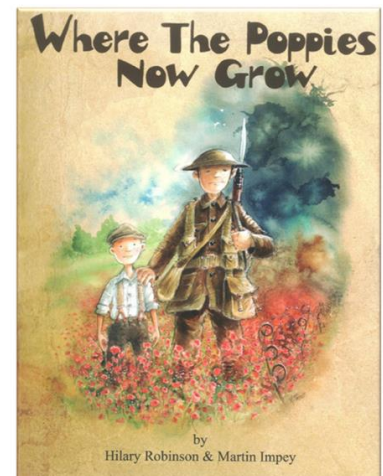

A huge thank you to all the families, friends and Arley community members that were able to attend our fireworks event on Wednesday evening. It was a huge success and without Mr Frost and his fantastic firework display, it wouldn't have been half as successful. What an impressive display. It was wonderful to hear comments such as 'The best fireworks display ever' and 'Same again next year please' Watch this space...

Today, we had a Remembrance Assembly, reflecting on those that lost their lives in battle. We read the book 'Where the Poppies Now Grow', children listened intently to the story of Ben and Ray, childhood friends who played in the fields where the poppies grow. We heard from Dylan (Year 5) who showed us all his great grandad's war medals. Such precious items that evoked emotions from within us. To end our assembly, we listened to 'The Last Post', children learning all about the bugle and what the last Post represented. Children left our assembly, reflecting on the past all echoing this sentiment;

'When you go home, tell them of us and say, For your tomorrow, we gave our today.'

Thank you to all of the Arley Community Primary School children for showing such empathy, compassion and understanding for the past and how this has impacted on our todays and our futures.

Best wishes,
Mrs K Parkes

Friends of Arley

Who are friends of Arley?

Mrs Davies, Miss Davies and Miss Scaife these lovely ladies are responsible for organising the amazing events we have at school, from the successful Fireworks event to the Christmas Fair.

These events are created to raise much valued funds which will provide all the children in school with special treats all year round.

At the moment they are working on some Christmas events for the children to experience in school so watch this space for more details!
