Dear families and friends of Arley,

What an end of week it has been, full of excitement and activities around school. It was fantastic to see so many families at our Harvest Supper on Wednesday...the sausage rolls and pasties were certainly a hit and I'm sure we'll keep them for next year's event. We currently have a poll on Facebook to find out what food families would like at our fireworks event on 8th November. Make sure you complete the poll and purchase your tickets for the event. A special thanks to our Friends of Arley, who spend a great amount of time organising these events and bring our school community together. Thank you Friends of Arley!

A special thanks to Luke this week, for demonstrating his fantastic memory and knowledge of the countries around the world. He managed to name 197 countries in less than 15 minutes. He spent time out of his day coming to show me this fabulous skill and certainly put a smile on my face!

Thank you all for continued support and wishing everyone a well-earned half term break.

Friends of Arley

Friends of Arley have recently purchased a new sound system for the school hall from all the fundraising they have done in school.

The sound system will be used for performances, assemblies and the light switch on at Christmas.

The recent harvest supper raised £527.00 which will be used to support further activities and events in school for the children.
